Business Partner Program

Join one of the most active networks of legal administrators and law firm leaders in the New York metropolitan area

Founded in 1971, the Association of Legal Administrators (ALA) is an international organization. The organization boasts more than **9,000 members across 20+ countries**.

The **New York Chapter (ALANYC) was formed in 1977** to provide quality educational and networking opportunities, professional growth, and leadership development for its approximately **250 legal professional members in the New York area**.

The Chapter has grown into a thriving network of legal professionals. **In 2025 we held over 40 events for members and business partners**, including our Winter Party, Educational Sessions, *fitALANYC* step challenges, and Community Service efforts, and more!

Our Business Partner Program allows the Chapter to deliver high-quality education, leadership development, and networking opportunities for legal management professionals.

In return, our business partners gain direct access to a highly engaged membership community.

Our robust event calendar is made possible by the dedicated work of our teams.

- Annual Events & Luncheons
- Community Service and C.O.R.E.
- DEIA (Diversity, Equity, Inclusion, Accessibility)
